

Confirmation

LEED

On 18 October 2017, Eurofins Product Testing A/S received a sample of an acoustic ceiling panel with the product name:

Sonacoustic Finish

supplied by

Sonacoustic International BV

The sample was supplied as being representative of the manufactured product, and it has been tested in accordance with CDPH (See test report no. 392-2017-10323002_H_EN_02).

The test results of the tested product indicate that the product qualifies for LEED v4 specifications on VOC emissions by complying with:

VOC emissions specifications in LEED EQ credit "Low-emitting products":

- The requirements of CDPH-IAQ (California Department of Public Health, Feb 2010); and a TVOC below 0.5 mg/m³ in both office and class room.
